

### REMARKS

The application fails to comply with the requirements of 37 CFR 1.821 through 1.825. The Applicant has submitted herewith a computer readable form and a correct paper copy. No new matter has been added.

The specification on pages 11-12 has been amended to add SEQ ID NOS. as specified, which correspond to the nucleotide sequences submitted in the "Sequence Listing" to comply with the requirements of 37 CFR 1.821 through 1.825.

An earnest attempt has been made hereby to respond to the informality objections contained in the April 28, 2004 Notice to Comply. Applicants submit that the instant amendment places the application in condition for allowance. If the Examiner feels that a telephonic interview will expedite allowance of the Application, s/he is respectfully urged to contact the undersigned.

Respectfully submitted,
